HARI OM!

The Chinmaya Movement encompasses many charitable, educational and cultural activities, such as Vidyalayas, Hospitals, Pitamaha Sadans and others. These are organized and run by **Chinmaya Mission** centres across the country and abroad, and the beneficiaries include people from all walks of life irrespective of their caste, creed, colour or religion. Chinmaya Vidyalaya is one such institution aimed at training the young children in a congenial atmosphere to bring out the best in them and help them to imbibe the rich cultural heritage of the country.

AIMS AND OBJECTIVES

Chinmaya Vidyalaya, Thrissur was established in 1979 to perpetuate the ideas of H. H. Swami Chinmayananda and His Vision of "**Catching them young**". The goal of this temple of learning is to produce successful and cultured members of society, having a sound knowledge of the rich heritage of our glorious nation.

The aim of Chinmaya Vidyalaya is not only to provide quality education to our children but also to provide them with maximum opportunities in co-curricular, cultural and literary activities. Our school caters to students mainly belonging to the middle income group. The children of this school imbibe desirable qualities through the Chinmaya Vision Programme. This programme aims at the all-round development of the child's personality. It stresses the importance of Integrated Development, Indian culture, Patriotism and Universal Outlook. The concept of Integrated Development emphasizes the physical, mental, intellectual and spiritual development of the child.

Managed by the Chinmaya Mission Educational and Cultural Trust, this Senior Secondary School affiliated to **Central Board of Secondary Education** has a strength of around **2000** students and is located on the outskirts of Thrissur town.
